PRINCIPLES AND RIGHTS

In the 7th WDF General Meeting held on 22nd October 1989 three main principles for the implementation of Disciplinary Action were laid down by the WDF Executive as follows:

- (1) The WDF Executive reserves the right to exercise its discretion in regard to proceedings with Disciplinary Action in respect of incidents involving Playing Members and Officials in WDF Cup events, the WDF World Masters and the WDF World Championships.
- (2) The WDF Executive reserves the right to outsource to a third party any item that involves, or potentially involves Disciplinary Action.
- (3) The WDF Executive accepts in principle that a "host" Member Darts Body shall reserve the right to proceed with Disciplinary Action in respect of incidents involving Playing Members and Officials in WDF events in which that "host" Member Darts Body has been duly appointed as the Organisers.
- (4) The WDF Executive recognises the principle that offending Playing Members and Officials shall have the Right of Appeal to Member Darts Bodies, or a Member of the WDF Executive present at a WDF Cup event in which a "host" Member Darts Body has exercised its right to proceed with Disciplinary Action.

In the 7th WDF Conference held on 3rd December 1990 the following Code of Practice was adopted for the guidance of WDF Member Darts Bodies and is recommended for use when dealing with Disciplinary Proceedings against Playing Members, or Officials, that have been involved in incidents that are considered by Member Darts Body Officials to have brought the Sport of Darts into disrepute.

In the 25th WDF General Meeting held on 7th October 2019 the WDF has adopted changes to establish a two-instance legal procedure making sure that the WDF operates a transparent and fair dispute resolution mechanism for disputes between WDF area councils, member federations, officials, athletes and any other individual related to the Sport of Darts.

Notwithstanding the principles as stated under points (2) and (3) above being unchanged the WDF Executive will execute its right to initiate disciplinary proceedings from WDF side if a WDF area council, member federation, official, athlete, athlete support personnel or any other individual or organisation acting in the sport of Darts under WDF's jurisdiction is involved in an incident that is considered to have brought the Sport of Darts into disrepute.

Then the WDF area council, member federation, official, athlete, athlete support personnel or any other person or organisation shall be subject to Disciplinary Proceedings being brought against them.

The WDF Executive shall investigate in such case and any of an accusation of the following:

- (1) Acting in a manner that is contrary to the best interests of the WDF.
- (2) Contravening any of the provisions of the Constitution or Bye-Laws.
- (3) Contravening any of the rules or regulations governing the accepted behaviour of the WDF area council, member federation, official, athlete, athlete support personnel or any other person or organisation under the jurisdiction of the WDF.
- (4) Breaching of any part, principles or values of the WDF Code of Ethics.

Following such investigation, the respective instance in charge may impose an appropriate penalty e.g. but not limited to fine, suspension and ban from participation in WDF events or ban from staging WDF events.

The following the rules on disciplinary procedures are valid for proceedings initiated by the WDF Executive in analogue form.

Disciplinary proceedings related to anti-doping rule violations are described in the WDF Anti-Doping Rules.

1.00 INCIDENT

If a Playing Member, or an Official, is involved in an incident that is considered to have brought the Sport of Darts into disrepute, then that Playing Member, or Official, shall be subject to Disciplinary Proceedings being brought against that person.

2.00 COMPLAINT

2.01 A complaint about an offending Player, or an Official, shall be made verbally on the spot, or in writing after the incident.

3.00 PRELIMINARY DISCUSSION

3.01 A Preliminary Discussion between the respective Member Darts Bodies Officials at the scene of the incident, shall determine whether any action should be taken on the spot, or whether the complaint should be referred to a Disciplinary Hearing which shall be convened at a later date.

3.02 The Preliminary Discussion shall determine the necessity of inviting that Playing Member, or an Official, plus possible witnesses to the incident, into the Disciplinary Hearing, bearing in mind that such witnesses may wish to corroborate the evidence supplied by a complainant, or the defendant.

4.00 CONVENING A DISCIPLINARY HEARING

4.01 An offending Playing Member, or an Official, shall be informed by letter, by a Member Darts Body Official, that the person has been suspended, and shall be subject to Disciplinary Proceedings being brought against that person.

4.02 The offending Playing Member, or Official, shall be invited to attend the Disciplinary Hearing in which that person shall be given the opportunity to put forward any information, and ask any questions, relating to the Disciplinary Proceedings being brought against that person.

4.05 As well as being informed verbally, at the end of the Disciplinary Hearing, the Playing Member, or Official, shall also be informed officially, in writing, of the details of the decisions reached in a Disciplinary Hearing together with advice on the effect of the

decisions on that person's future involvement in the Sport of Darts under the jurisdiction of that Member Darts Body.

- 4.06 The letter shall also indicate the person's Right of Appeal against any decision, and shall indicate a reasonable time limit in which to lodge an Appeal.

- 5.02 Such Right of Appeal shall be afforded to a Playing Member, or an Official, within a specified time limit, i.e. a minimum of '14' days.
- 5.03 In the instance of lodging an Appeal the offending Playing Member, or Official, must outline the grounds for the Appeal and provide any additional evidence, or other eyewitnesses to substantiate those grounds.
- 5.04 An Appeal may require the convening of a further Meeting, and the appellant may be required to lodge a sum of money to be used to defray the costs of the persons attending the further Meeting, such sum of money may be refunded as a result of the decisions made in the Appeal Hearing.

6.00 CONVENING AN APPEAL HEARING

- 6.01 An Appeal Hearing shall be convened in the same manner as a Disciplinary Hearing, with all the relevant persons being informed in writing.
- 6.02 A Member Darts Body shall appoint a number of persons as an Appeal Committee preferably from the Members of the Member Darts Body's Executive Council. The numbers of persons serving on an Appeal Committee shall be greater than the number serving on a Disciplinary Committee.
- 6.03 No person directly involved in the incident, or those persons that served on the Disciplinary Committee, shall be allowed to serve on the Appeal Committee.
- 6.04 As well as being informed verbally, at the end of an Appeal Hearing, the Playing member, or Official, shall be informed officially, in writing, of the details of the decision reached in an Appeal Hearing together with any further advice necessary in relation to that person's future involvement in the Sport of Darts under the jurisdiction of that Member Darts Body.

- 7.01 A Member Darts Body shall ensure that a written record, and a file, shall be kept, which shall include all relevant letters, minutes of meetings, and all other relevant notes and information.
- 7.02 The person required to take Minutes of the Proceedings must be independent of the Committees involved and therefore eligible to attend all meetings, but that person shall not take part in any of the discussions involved.
