2.05 The WDF Executive will assess each application for a WDF Youth Ranked Tournament on its merits and reserve the right to include or exclude any tournament in the WDF Youth Ranking Systems Criteria.

### 3. RANKING CRITERIA

3.01 A WDF Ranked Youth Event must have at least two participants to receive ranking points.

3.02 Where there are less than four boys and/or less than four girls, it is permitted to arrange a "mixed" event that includes boys and girls.

- In such mixed events ranking points will be allocated in the same way as in a normal boys' or girls' event.

- 3.03 WDF Youth Ranked Tournaments will be given an initial grading of Gold, Silver or Bronze based on the total number of participants in the previous edition of the tournament.
- The same grading will be awarded to both boys and girls tournaments based on the total number of participants in both tournaments combined
- 3.04 New WDF Youth Ranked Tournaments will be awarded Bronze grading.
- 3.05 Gold grading will be awarded to tournaments that had 65 or more participants, (boys and girls combined), in the previous edition of the tournament.
- 3.06 Initial Silver grading will be awarded to tournaments that had between 17 and 64 participants, (boys and girls combined), in the previous edition of the tournament,
- 3.07 Initial Bronze grading will be awarded to tournaments that had between 2 and 16 participants, (boys and girls combined), in the previous edition of the tournament.
- 3.08 Once initial grading has been awarded, that grading cannot be reduced.
- 3.09 A tournament can be upgraded if, on the day that the draw takes place, entries reach the next level.
- For example, a tournament is initially awarded silver grading based on their being 55 entries the previous year. At the time the draw is made there are 66 entries. The tournament would be upgraded to gold grading.

- a) Gold graded tournaments shall carry 16 seeds.
  - b) Silver graded tournaments shall carry 8 seeds.
  - c) Bronze graded tournaments shall carry 4 seeds.
- 9.02 Seeding shall be taken from the WDF Main Ranking Tables (See section 15).
- Where not enough players or not enough WDF Youth ranked players enter a WDF Youth Ranked Tournament to allow for a full complement of seeds, the number of seeds shall be reduced to 8, 4, 2 or 0 as required.

9.03 Tournament seedings shall be based on the WDF Youth Main Ranking Table positions on the penultimate Wednesday before a Sanctioned Event commences.

For example, for a Sanctioned Event that commences on Saturday 29 January, seedings shall be taken from the WDF Youth Main Ranking Tables on Wednesday 19 January.

9.04 Seeding shall be applied at the time that entries to the tournament close.

Where players are tied in the WDF Youth Main Ranking Table, the player that has the highest individual scoring points box shall be seeded highest.

For example:

Player A

- Highest scoring box - 180 points
- Second highest scoring box - 90 points
- Third highest scoring box - 90 points
- Fourth highest scoring box - 28 points
- Total = 388 points

Player B

- Highest scoring box - 180 points
- Second highest scoring box - 180 points
- Third highest scoring box - 17 points
- Fourth highest scoring box - 11 points
- Total = 388 points

Player B would be seeded highest as their second highest scoring box is higher than Player A's second highest scoring box.

Where players remain tied, a draw will take place to determine the higher seeded player.

9.05 Seeds shall be distributed through the draw in sections, as detailed below, with each section being of equal size.

a) For two seeds the draw shall be split into two sections. Each seed shall be placed at the top of a section in the following order:

The number of "sections" in a draw shall be determined by the number of seeds in the draw, (see Clause 9.05).
  - c) The first remaining bye shall be allocated to the match positioned directly below the first listed seed in the draw.
  - d) The second bye shall be allocated to the match positioned directly below the second listed seed in the draw.
  - e) The third bye shall be allocated to the match positioned directly below the third listed seed in the draw, etc. etc.
  - f) Having allocated a bye in every section, should further byes remain, the process detailed above, (steps c, d and e), shall be repeated for the match positioned two below the first listed seed in the draw in each section, followed by the match positioned three below the first listed seed in the draw in each section etc. etc.
- 9.10 Where it is recognised that seedings have been incorrectly allocated, the Tournament Organiser shall manually adjust the draw to ensure seeds are correctly allocated.  
Where it is recognised that a player should be seeded but is in the draw as an unseeded player, the Tournament Organiser shall manually allocate all players the correct seeding position with the incorrectly seeded player taking the place of the previously omitted seed.
- 9.11 Where it is recognised that a player or players have been omitted from the draw, the Tournament Organiser shall manually replace the bye(s), allocated in the draw with the omitted player(s) in the reverse order to which byes were allocated (see Clause 9.09).
