# PLAYING RULES

## 1. GENERAL

- 1.01 The Playing Rules and Format for the WDF World Cup listed below are a set of rules created especially for the WDF World Cup. These rules are not comprehensive and must, at all times, be read in conjunction with the WDF Playing and Tournament Rules.
- 1.02 The official invitation shall be submitted to the WDF Tournament Director at least four (4) months before the scheduled date of the Cup. On approval the WDF Tournament Director shall circulate the documents to all WDF members. The documents will also be placed in the Members Login area of the WDF website.
- 1.03 The closing date for entries will be shown on the entry form and must be strictly adhered to. Entries submitted after the closing date may be refused at the discretion of the WDF Executive. All entry forms, player biographies, and accommodation reservations must be in the hands of the host organisers by the specified closing date.  
A copy of the Team Entry Form must be sent to the WDF Tournament Director.
- 1.04 The WDF Executive will make all decisions and retain complete responsibility for all aspects of the WDF World Cup. This includes the draw, the playing schedule, the administration of the tournament, the appointment of event officials and the approval of the playing venue.
- 1.05 **The WDF Playing and Tournament Rules shall apply in all matters that are not explicitly mentioned in these rules.**

## 2. COMPOSITION

- 2.01 The WDF World Cup shall consist of two separate Championships:  
(a) The Men's World Cup and  
(b) The Women's World Cup.
- 2.02 Each Championship shall consist of a Four Person Team Event, a Pairs Event and a Singles Event. The total sum of the points obtained in all three events will decide which Country will be crowned World Cup Champions.
- 2.03 Gold, Silver and Bronze medals will be awarded to the winners, the runners-up and the joint third places in each men's and women's event.
- 2.04 Gold, Silver and Bronze medals will be awarded to the Overall winners, runners-up, and third placed teams. An additional medal will be awarded to one Team Manager from each of the three best overall countries in both the Men's and Women's Championships.
- 2.05 Each WDF member country may enter one men's team consisting of four (4) players and one women's team consisting of four (4) players.  
A country may enter only one team (men or women) if it wishes to do so.

### **3. PLAYERS**

- 3.01 All players must be eligible to play for their country and shall be selected by the respective Full Member Darts Body for that country, by any such method that they themselves determine.
- 3.02 All selected players must comply with the WDF Eligibility Rule (see WDF Bye-Law 7.05).
- 3.03 It is the responsibility of the officials of the player's respective WDF Member Darts Body to check and properly verify that all players entered for the WDF World Cup fully comply with the WDF Eligibility Rule.
- 3.04 In cases where teams require Visas to enter the host country written proof that visas have been obtained will be required before teams can be entered into the draw. Written confirmation must be sent to the WDF Tournament Director by email at least three (3) days before the draw is made.

Teams, which do not supply the required documentation, will not be entered into the draw. The WDF will not accept any responsibility or liability for any costs incurred for teams which are not included in the draw because they have failed to obtain the necessary visas within the stipulated time.

- 3.05 As the Youth and Senior World Cups are played concurrently, Youth players selected to play in the World Cup Senior event are not permitted to be selected, or take part in the World Cup Youth event in the same year under any circumstances. This also includes substitutions during match-play and replacements due to absenteeism.

### **4. DRAW**

- 4.01 The draw for all knock-out Singles and knock-out Pairs events shall be conducted in such a way that in the first round of match-play, no country shall meet another country more than once.
- 4.02 The differential of "Byes" between countries shall not be greater than one (1).
- 4.03 The order of play for all matches in all events will be determined automatically by the official WDF computer software programme.
- 4.04 Under normal circumstances the draw will be made and published on the WDF website three (3) weeks before the start of the event.

### **5. SEEDING**

- 5.01 Each specific event in the Men's and Women's World Cups shall be seeded. Seeding shall be based on the points scored in the relative event at the previous World Cup. Seeding shall be allocated to countries and not players. When determining the seeding positions "bonus points" awarded for wins in Round Robin group matches or final group placing shall not be included.
- 5.02 In the event of two or more countries having the same number of points the seeding positions will be decided by the total overall points obtained in the previous World Cup. Should this not be conclusive then a random draw will be made.

- 5.03 If countries, which would have been seeded under these criteria, do not enter a team their allocated seeding places will be filled by moving the lower seeded countries upwards to fill their places.

If countries, which would have been seeded under these criteria, are forced to make a late withdrawal, i.e. after the draw was made and published, their allocated seeding places will be filled by making a random draw from all non-seeded countries that have entered.

## **6. MATCH TIE-BREAK RULE**

- 6.01 All Matches in the WDF World Cup are subject to the Match tie-break rule if they reach the following position:

If the score reaches 3-3 in best of 7 matches

If the score reaches 4-4 in best of 9 matches

If the score reaches 5-5 in best of 11 matches

If the score reaches 6-6 in best of 13 matches

If the score reaches 8-8 in Four Person Team matches.

- 6.02 In all matches where a tie-break leg must be played the following procedures shall be followed.

(a) In Singles matches the player who started the match shall throw for the Bull first. A dart which enters the Bull or "25" sector shall be removed before the opposing player takes his/her throw. In the event of equal darts the throw shall be retaken, in the reverse order, until a decision is reached. Any dart which does not remain in the board shall be re-thrown immediately and before the opponent takes his/her throw.

(b) In Pairs matches the first player named on the match sheet shall throw for the Bull. The player from the Pair that started the match shall throw first. A dart which enters the Bull or "25" sector shall be removed before the opposing player takes his/her throw. In the event of equal darts the throw shall be retaken, in the reverse order, until a decision is reached. Any dart that does not remain in the board shall be re-thrown immediately.

(c) In Team matches a nominated player from each team shall throw for the Bull to decide the order of play. The nominated player from the team, which started the match, shall throw first. A Dart which enters the Bull or "25" sector shall be removed before the opposing player takes his/her throw. In the event of equal darts the throw shall be retaken, in the reverse order, until a decision is reached. When a decision has been reached the nominated players who threw for the Bull must contest the tie-break leg. Any dart that does not remain in the board shall be re-thrown immediately.

## **7. GROUP TIE-BREAK RULE (FOUR PERSON TEAM ONLY)**

- 7.01 If two teams have the same number of points the following criteria are used to separate them:

(a) Leg difference,

(b) Result of the match played between the two tied teams.

- 7.02 If THREE teams are tied on the same number of points, the leg differences are the same, and each team has won one of the three matches involving those three teams then a tie-break shall be played.

- 7.03 In the tie-break each tied team shall select one player to play the tie-break. All players shall play on one board. The throwing order shall be established by a Bull throw. The Bull throw shall determine the throwing order 1: 2: 3 for the first leg. The throwing order for the second leg shall then be 2: 3: 1 and the third leg 3: 1: 2. The fourth and final leg shall be 1: 2: 3. The first player/team to win two (2) legs will be declared the winner of the tie-break. Lots will be drawn to decide the order of the throw for the Bull.
- 7.04 In the case of a three-way group tie where TWO teams shall advance the tie-break shall be played as stated above. The two remaining teams will then play a single leg to decide which team advances. The start will be decided by a Bull throw. The order of throw for the Bull will be decided by the toss of a coin.

Substitution can only be made before the start of a match and only by an individual who has not already played in the current World Cup. Should the substituted player become fit to resume play at a later stage of the event that player shall be reinstated.

16.02 All substitutions will be vetted by the WDF before approval is given.

## **17. DISPUTES**

17.01 In the instance of a dispute occurring during match-play the match concerned shall be stopped immediately. Both Team Managers shall then accompany the Board Official to the Floor Manager.
